Delhi Public School Sector 45, Gurgaon is a private co-educational school, with a vision to create an environment for imparting a holistic education and to inculcate a sense of discipline and values amongst students. The school caters to the educational and co-curricular needs of 6000+ students. The school has blossomed as one of the premier educational institutions and is ranked among the top 10 schools of Delhi NCR.

The school believes in inculcating a philosophy of service before self, so that students learn how to be an integral part of the community and enrich it in our own special way. The school also nurtures upright global citizens with a strong moral fiber ready to be the torch bearers of the new millennium.

PROGRAMMES AND CLUBS

CULTURAL EXCHANGE PROGRAMMES(FOR SENIOR STUDENTS): The school goes beyond academics and extra curricular pursuits. The school provides international educational and cultural opportunities through Exchange Programmes. Each year students from the senior school participate in the exchange programmes with Germany, France, and Poland. (Online exchange programme with France and Spain)

SCIENCE CLUBS: 'Allotropes' - the Chemistry club,'Red Shift'- the Physics club and'Pulse'- the Life Science club.The members of these clubs are science enthusiasts engaged in a wide range of activities, from carrying out various experiments to mentoring middle school students and organising study sessions for Shiksha Kendra students. The aim of these clubs is to provide a platform for students to explore and discover new frontiers in the field of science. These clubs strive to hone their skills by engaging in research and promoting the practical knowledge of natural phenomena in a simple fun filled way.

INTACH (INDIAN NATIONAL TRUST FOR ART AND CULTURAL HERITAGE): The members of this programme work in the field of heritage conservation.

TED X: TEDx is a club for technology, entertainment and design coverage. The club provides a platform to the young adults for the confluence of their creative imagination and intellectual ideas. It gives an opportunity to the youth speakers to express their ideas in a simplified and authentic story telling manner, thereby carrying forward the club's mission of ideas worth spreading.

INSIGHT: It is the psychology club of DPS Gurgaon. the club aims at helping young adolescents seek solutions to their concerns proactively through a better understanding of themselves as also improving their outlook and understanding towards the importance of mental health. This is achieved through awareness based activities and sessions conducted throughout the academic year.

KAIZEN: The commerce club represents a group of young enthusiastic students who are passionate about commerce and the dynamism that revolves around it. The club organizes and coordinates various co-curricular activities including 'Ecomm Parv' the annual commerce and economics fest in school. This helps the students to hone their managerial and leadership skills by exposing them to the world of business and commerce.

DUKE OF EDINBURGH PROGRAMME-INTERNATIONAL AWARD FOR YOUNG PEOPLE:The programme consists of three levels- Bronze, Silver and Gold. For each level the participants have to complete the requirements of four sessions i.e. Community service, Adventure, Creative Skill and Physical Recreation. The award programme is open for children between the age group of 14-18 years.

THE GLOBAL LEADERSHIP PROGRAMME (VIII TO XI):This programme in collaboration with Khemka Foundation aims at identifying and nurturing young leaders from all spheres of life. The focus is on integrating the programme into the curriculum of the school. The programme concentrates on developing individuals who are positive, responsible, committed, passionate and sensitive team players with a global outlook.

HEALTH COUNCIL: Health Council is the initiative taken by the school to improve the health index of the school. The Council has six committees of students, each looking after a certain domain related to health. The team of health council members works towards creating awareness about nutrition, exercise, first aid, hygiene and community health. Health council ensures that our students pass out of the school as healthy young adults, who are equipped physically, mentally, emotionally and socially to face the challenges posed by life.

TEAM SHIKSHA KENDRA: It is an endeavour which aims to incorporate co-scholastic activities in the curriculum. Shiksha Kendra is a school for remedial teaching run by Delhi Public School, Gurgaon for students from the underprivileged section of society. The Shiksha Kendra team teaches various skills like art, music, dance, public speaking and dramatics to the students of Shiksha Kendra and works toward honing their skills and upholding the school motto of 'Service Before Self'.

NODE(NETWORK OF DIGITAL ENTHUSIAST): It is an IT club. The members of this club are actively involved in activities such as graphic designing, software development, robotics, video editing, quizzing and group discussions.
