Muskaan- The twinning endeavour

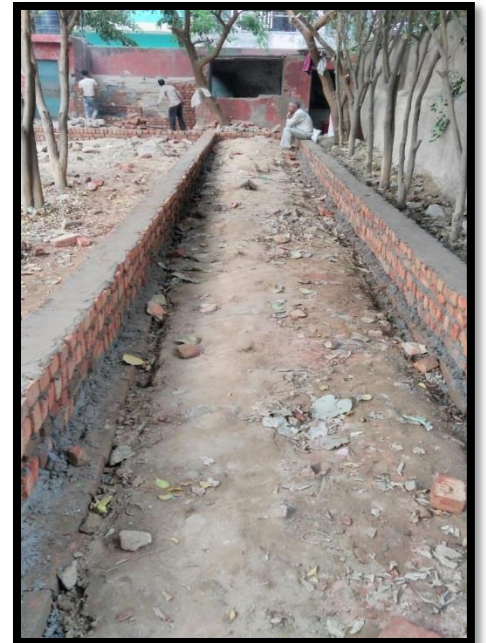

DPS Gurgaon has been part of the Muskaan programme since its inception. It has undertaken two government schools in its proximity, Government Girls School Kanhai and Jharsa (Primary) to support.

In six weeks the work undertaken and completed is:

- Two new washrooms were constructed along with repair of the existing ones.
- The open areas around the buildings have been deweeded, cleared and levelled.
- Furniture has been repaired and teachers' tables have been provided (wherever there was a shortfall).
- Repair work of the buildings, flooring as well as painting has been completed in both the schools.
- One support staff each (housekeeping) has been appointed for both the schools to ensure cleanliness of the classrooms and washrooms every day.
