

Delhi Public School, Sector 45, Gurgaon, Hosts Inter-School Science Fest

Delhi Public School, Sector 45, Gurgaon, echoed with energy and innovation as it hosted the much-awaited CAPAX INFINITUM 2025 — an Inter-School Science Fest that has come to symbolize the fusion of scientific inquiry with creative expression. This year's theme, 'The Science Odyssey — Exploring New Horizons', set the stage for a day brimming with experimentation, exploration, and exuberance. Over 400 participants from 28 reputed schools across Delhi NCR, including an international school, brought their A-game to this celebration. The fest was officially inaugurated by Sapna Dhawan, Dean, Student Welfare, who warmly welcomed the participants and applauded their curiosity and originality. In her inspiring address at the valedictory ceremony, Director Principal, Aditi Misra, praised the models on display and said that they filled one with awe and hope for the future. The ceremony concluded with an award distribution and the Rolling Trophy was awarded to DPS International, Gurugram.
