

## CLASS ASSEMBLY XII -C

Students of class XII-C presented an assembly on the topic 'Time Management' on Friday, 26<sup>th</sup> April, 2019.

The assembly started with a thought of the day which was followed by a poem composed by Pranav Mathur, a student of the class. It conveyed the importance of time management and how perseverance and hard work will help achieve the goal. The assembly concluded with valuable tips on time management during the examination time.

The Headmistress, Senior School, Ms. Arpna Gupta discussed the importance of time management. She asked the students to express their views and it was unanimously agreed upon that staying away from social media during this time was very essential. She asked the students to follow the useful tips and incorporate them in their routine. She reiterated that it was essential to develop a routine and not to clutter their work space. Lastly the Director Principal, Ms. Aditi Misra emphasized on the importance of studying sincerely. She asked the children with sanction off to utilize their time for better understanding. She reinforced the concept of GROW and asked the students to follow it diligently. They were told how to make a daily schedule and stay away from social media.
