

REPORT- tGELF- JA Entrepreneurship Workshop

Date:- 25th April,2019

Attended by:- ADITI MATHUR

Resource Person: - Mr. Mushtaq Ahmed, Dean, Commerce and Humanities, Learning Paths School, Mohali and Program Coordinator, Junior Achievement India

Venue :- The Shri Ram School, Aravali

The purpose of the workshop was to acquaint the teacher facilitator from different schools of Delhi, Gurgaon, Jaipur, Chandigarh and Dehradun with the JA Company Program 2019. The resource person was from the Learning Paths School who has an experience of 15 years as an advisor for the Student Company Program in his school. Mr. Mushtaq began with the brief about all the projects undertaken by his students in past years, their success and failure on different products. His session was followed by an ice breaking activity by t GELF team on team work and coordination.

Post the tea break, Mr. Mushtaq covered the details of the JA program and the way it is undertaken in his school every year. He shared various documents maintained by his students at various stages. It was like a sample being shown. He also mentioned this year's competition is much more comprehensive and different than the ones undertaken in the yesteryears.

The program involves the functioning like a real business from incorporation, formation, capital investment, production and sale of goods or services, calculation of profit/loss and position of assets and liabilities through financial statement to liquidation of the company.

After this session, we had an ice breaking activity on leadership qualities. Post which there was the last part of the workshop comprising of sharing of various vedios of the teams presented at the Asia pacific level from India and other few countries. They explained in brief about the JA company Program and how the schools should go about it.

It was indeed a great learning experience which clearly unfolded the details of JA company program 2019.
