

CLASS II MINI PTM-NATURE TRACKERS

The first mini PTM of the session was held on 29th and 30th April'19. The show began with a prayer followed by a rhythmic song, 'Everyday an earth day...'. In view of the global responsibility of creating a sustainable environment, the students presented a small skit. They spoke effortlessly on the ways to protect their mother Earth. They shared their view on how all of us can be a part of Green Brigade and attain this goal. Overall the Mini PTM was a good learning experience for one and all.
