

Guest Speaker Programme

Guest Speaker Programme is an endeavour to widen the horizon of our young learners and make them knowledgeable about various occupations. A session under this programme was held on 3rd May 2019, for class VII in the Middle School. Mr. Anil Pathak, Director Engineering – Harman Connected Services provided valuable inputs to the students. He spoke about IOT (Internet of Things) and connected cars, a technology based on Artificial Intelligence and upgrading normal cars to connected cars. Mr. Pathak showed them few videos of the technology in action and the students enjoyed it. He also showed them the portable device which needs to be plugged into a car to make it a connected car. The interactive session enlightened the minds of the enthusiastic students.

Mr. Pathak expressed his eagerness to speak to the students of other grades as well on the technology. He enjoyed interacting with the inquisitive minds a lot.
