

REPORT - ALPHA NODE 2018

DPS Gurgaon hosted its annual IT Fest ALPHANODE ON 27th July 2018. The day started with excited participants from over 11 schools who had come from across Delhi- NCR eagerly waiting to exhibit their talent and passion for computers. The inauguration ceremony started with a lot of cheering which was followed by the address of the Principal, Ms. Aditi Misra. She welcomed all the participants with the belief that this experience would help them learn something new. She also said that this event was a platform for the young minds to unravel the world of computers whilst creating something different.

The much awaited competition commenced with a movie making competition called 'In Focus'. Web Designing, Motion Graphics and Digital Imaging were parameters of the event 'Create X' which enabled the students to have a better understanding of various softwares. Events like 'Geekathon' and 'Intellect' assessed the participants' aural skills and their knowledge of computers. Other events included 'Deprehendo', 'Analogus', 'CodecPro', 'Photobuild', 'DecodeNode' and 'M-Sway', all designed to explore the world of computers whilst creating something new.

The event came to an end with the valedictory ceremony where the efforts of the winners were appreciated. They were felicitated by the Principal and the Guests of Honour, Mr. Vipin Pungalia, Director Sennheiser, Mr. Mansoor Raza, Chief Procurement Officer who was accompanied by Mr. Rituraj Deopa, Regional Head Ebix Smart Learning. They extolled the efforts of the students and asked them to venture into the world of computers which has vast dimensions that still need to be explored.

The overall trophy was won by DPS R.K.Puram. The event was announced closed with the hope to witness more talent, a multi-dimensional perspective and creative synergy in the coming years.
