

Report – Assembly VI A

The students of class VI A presented a motivating assembly on the topic ‘Time Management’ on 5th February, 2019. The students discussed about the importance of time management to overcome the stress during examination. They recited an inspiring poem to reiterate this message. They also shared some tips to be followed during the examination time by the students.

The Headmistress Ms. Shalini Arora spoke to the students of the Middle School about the upcoming exams and motivated them to do well. She advised them to take care of themselves as the examinations are approaching.
