

Speaking Stone – An Art Exhibition

An Art and Craft exhibition for our students was organised on 4th May 2019 at ART'EST- An Art Abode, Vipul World, Sector 48, Opp. Sohna Road, Gurugram. Mr. Neerajj Mitra, the resource person together with Ms Magya Judit acquainted the participants with objectives and goals of the Workshop and highlighted the importance of it as a communication of emotions and ideas .

The workshop explored alternate mediums of Art for e.g. various kind of pulses and spices like Cardamoms with pebble and stone of different sizes which were made on the tiles. The beautiful work left the spectator mesmerized. There was lot of enthusiasm shown by the children who showed their talent by curating their thoughts and crafting them on stone and marbles. The student produced something which far excited the expectation of their teachers.
