

TREE PLANTATION DRIVE

"Limit your need, minimize your greed; sow a seed, let the earth breathe"

To restore the eco-balance of the afforestation, on 27th July, 2019 in DPS, sector 45. CEEC, the environment club of the school organized a Tree Plantation Drive which was graced by the Dean(Student Welfare) Ms. Sapna Dhawan and the Head Mistresses of the Middle wing and Junior wing, Ms. Shalini Arora and Ms. Laveena Hemrajani respectively.

It was a great moment of joy and fulfilment for the children to learn the skills of arboriculture and to preserve the treasures of Mother Nature by planting saplings of Mogra, Champa and Giloy. It was an endeavour by the students to contribute towards the National drive on afforestation.
