

*'It is in giving that we receive'.*

Upholding the spirit of the school motto '*Service Before Self*', the staff and students of Delhi Public School, Gurgaon extended their support to 'Fani Calling', an initiative by Goonj, to provide relief to the cyclone affected people by contributing wholeheartedly towards the cause. The students were asked to contribute dry ration in form of pulses, sugar and tea for the same. Though the contribution was optional but the response was overwhelming. A collection of 18 cartons and 38 sacks of dry ration was sent to Goonj, as a contribution from DPS Gurgaon family.

Such initiatives help young minds to be empathetic towards the needs of others and become a cognizant member of the society.
