

RAKHI MAKING ACTIVITY

'Rakhi is a thread which binds two souls in a bond of joy forever'.

'Raksha Bandhan' is a special occasion to celebrate the virtuous bond of love between brothers and sisters. To commemorate the true spirit of brotherhood and to strengthen the bond of love and care, a Rakhi Card Making Activity was organized for the students of classes III, IV and V on 10th July '2019. Students made beautiful and colourful Rakhi Cards using eco-friendly material and also wrote heartwarming messages on the cards for the soldiers of our country. They contributed in this wonderful initiative which expressed their love and gratitude for the brave soldiers.
