

Interact Club Report –August

The month of August fills every Indian heart with the spirit of patriotism and nationalism. Songs expressing solidarity towards one's motherland reverberates throughout the country. It's the time to pledge allegiance to the country. Keeping in tandem with the patriotic fervour, the Interactors organized an Intra -Section Hindi Patriotic Poetry Competition among class VIII students on Thursday, 8th August 2019. There were six groups comprising of ten members each. The groups were mentored by class XI Interactors who selected the poems and mentored their group by teaching them nuances of effective recitation. The groups were judged on presentation, fluency and expressions. Poems like Tiranga Lahrata Hain, Yeh Tringa Aasman Mein Shaan Se Lehayega, 15 August and Bharat Geet were recited with props like charts, colourful shawls, and flags made of reused paper and cloth. The performances were not only an aural treat but a visual one too. The recitation awakened a sense of responsibility and commitment among the young audience to safeguard the freedom of their nation.

Class VII students of Shiksha Kendra depicted principles of honesty, non-violence, sacrifice and integrity through small enactments, reiterating the importance and value of Mahatma Gandhi's teachings in modern times.

Such activities are a clarion call for the youth to rethink the significance of free India and their contribution towards nurturing and respecting it.
