

TRIP TO BOTANIX NATURE RESORT

Classes III, IV and V

‘In every walk with nature, one receives far more than one seeks’

A fun-filled camp was organized for the students of classes III- V at the Botanix Nature Resort, Gurugram on 6th, 7th and 8th February 2018. Located at the foothills of the Aravallis, the place proved to be an ideal location for an adventure camp with its greenery and scenic beauty. Young campers enthusiastically participated in activities like Burma Bridge, Commando Crossing, Tug of War, Bullock cart ride, Kabaddi etc. Students also enjoyed the nature tour of the 30 acres of lush green garden.

To keep the energy flowing for an action packed day, children were treated with delicious traditional Indian food throughout the day.

The camp provided a great opportunity for the students to explore and learn. It also helped in inculcating several skills like building team spirit and collaboration. The trip was indeed memorable which made an ever-lasting impression on the students.
