

## Congratulation Ruchi Baweja on being selected as the Microsoft Innovative Educator Expert2019-20

Dear Ruchi Baweja,

Congratulations on being selected as a Microsoft Innovative Educator Expert for 2019-2020! Each year, Microsoft selects Innovative Educator Experts to be part of this exclusive global community paving the way for their peers to share ideas, try new approaches, and learn from each other. We are inspired by your achievements and look forward to working with you throughout the one-year engagement, and beyond.

You will be joining a group of some of the most amazing educators who are empowering the students of today to create the world of tomorrow. At Microsoft, we believe that technology alone cannot build 21st century skills for students. It is an accelerator, but the power of change lies within educators. That is why we bring changemakers, like yourself, together to recognize and grow your achievements.

You have been chosen as an MIE Expert because you are self-driven, passionate about your work, have true collaborative spirit, and strive to inspire students with outside-the-box thinking on technology in education. We appreciate your resourcefulness and entrepreneurial spirit. As agents of change, you have achieved excellence in education, using technology and social media. We are grateful for the opportunity to tap into your enthusiasm and enable others to benefit from what is clearly your passion.
