

EARTH DAY ASSEMBLY REPORT

Earth Day- April 22, marks the anniversary of the birth of the environmental movement which started in 1970. It gives voice to environmental concerns and brings them to the forefront. Students of classes IV and V presented a special assembly on 18th April, 2019 to show their solidarity for the movement and to celebrate Earth Day.

The assembly commenced with the Senior Student Council Members apprising the students about the urgent need to adopt 'Earth Saving' practices.

Ms. Sapna Dhawan, Dean, Student Welfare addressed the students and reiterated the importance of 5 R's- '*Respect, Reduce, Reuse, Recycle and Refuse*' and urged the students to adopt them in their everyday practice. She gave away the prizes to the winners of the 'ITIHAAS' Competition.

The school choir sang a melodious song on the need to save Mother Earth. An informative skit and a poem on how human actions are overburdening the Earth and the remedial measures taken i.e. practice of 3 R's to save Earth left an everlasting impression on the young minds. The vibrant and zealous dance performance followed by *Nukkad Natak* mesmerized the students.
