

Report of the workshop on Artificial Intelligence

Ms. Shilpa Agarwal attended a workshop on Artificial Intelligence organized by CBSE at Suncity School, Sector-54, Gurugram from 21st May 2019 to 23rd May 2019. The curriculum and the resource handbook for the workshop was designed by Intel. The workshop was conducted by Intel and the resource persons Ms. Shayeda and Ms. Ambika covered AI concepts as per the new curriculum of Artificial Intelligence for classes VIII and IX. It was an informative session and will help in the implementation of the new curriculum. The workshop and the curriculum is entirely activity based which will help the students of Classes VIII and IX to become AI ready.
