

## Report - Plantation Drive

*Trees are poems that the earth writes upon the sky.*

‘Save trees, Save life’ is not only a slogan, it is a responsibility which should be shouldered by each and every person living on Earth.

To promote the importance of tree plantation, Delhi Public School, Gurgaon collaborated with the Government of Haryana on 25<sup>th</sup> July 2019 in their initiative- Paudhagiri. Students of class X planted 12 trees in the Govt. Girls Primary School, Kanhai. They geotagged their saplings and would be taking care of their saplings in the future.

The students participated in the plantation drive with great zeal and exuberance. It was a moment of immense fulfilment for these young adults to participate constructively in the event while contributing their bit towards a greener Earth.
