

## VIGYANTRAM 2018

Delhi Public School, Gurgaon conducted 'Vigyantram', a two day workshop cum competition on 17th and 18th August 2018 for students of Classes VIII to XI. Vigyantram is a National Level Championship with a series of technical workshops in association with Indian Institute of Technology, Bombay. Each workshop is a springboard to a deeper understanding of technology and its myriad applications and potential for innovation which prepares the participants for real-world conditions.

The workshop topics were - Brain Controlled Robotics, Androbotics, Cyber Security and Quadcopter (Drone). It was a great learning experience for the students who learnt to respond in a stipulated time frame and work in teams. 280 students participated in this event. It was proud moment for DPS Gurgaon whose fourteen teams were selected for the Grand Finale in January 2019 at IIT Bombay along with nine other teams from various other schools. Each participant will receive a Certificate from Aakaar, IIT Bombay. Aakaar has been working as a great platform for the students across the country to showcase and enhance their skills at the highest level since its inception in 2009. Aakaar is Asia's largest civil engineering festival.
