To instill a passion for learning a Mini PTM was organized on 25th and 27th April 2019, for class IV wherein the students performed with great enthusiasm and confidence on various topics pertaining to different subjects.

The young leaders presented a very informative skit on the democratic form of government explaining the significance of multi party system and the right to vote. This was followed by a beautiful song on Homophones. Later, they presented a skit on food chain that helped in understanding some of the important aspects of the ecosystem in particular and the environment in general.
