

PTM Report for Class III

“Our greatest natural resource is the minds of our children”

Walter Elias Disney

A Parent Teacher Meeting is a strategic partnership between the parents and teachers and it aims to bring out the best in the child.

Keeping the above in mind, a Parent Teacher Meeting for class III was held on 20th May 2019. Parents met the class teachers and the subject teachers to discuss the overall performance of their ward. Teachers shared an exhaustive feedback with the parents to help them identify the strengths and areas of development to help the students learn and grow.

The e - journals gave the parents an insight into the various activities done in the class which covered the academic concepts in a fun filled way.

Most of the parents appreciated and thanked the teaching fraternity for their constant support and guidance in ensuring a holistic development of the children. A few concerns shared by the parents are as below:

- Marks for spelling errors should not be deducted in the Monday Test for General Knowledge.

For all recall and write questions, a word cloud/options/help box will be given in the forthcoming Monday Tests for General Knowledge. The children will choose the correct word and write it.

- Students are unable to note down the homework or they note down incomplete homework in the almanac.

Homework will be broadcasted till the first term, i.e. September'19. This will be a backup/help if homework is not noted or is incomplete and by then the students will also be prepared in writing the almanac. We will encourage them to try and write the homework.

- Cricket as a sport should be introduced for girls.

We will be introducing cricket for girls during the P.E. periods.

- Assignment Booklets and the General Knowledge books are not checked by the teacher.

The answers of the Assignment Booklets and the General Knowledge books are discussed in the class and then written on the board. The answer key for the assignment booklets are uploaded on the portal and for General Knowledge the answer key is at the end of the book.
