

ASSEMBLY REPORT – VII G

Students of Class VII-G presented an assembly on the topic, 'Differentiated Needs' on 14th May, 2019. No two individuals are same and therein lies the beauty of the world. The diversity in our thoughts, actions and talents is what makes us beautiful as human beings.

The theme of the assembly was portrayed through a poem composed by a student of the class. Students understood how it was fine to be different as long as they did not lose their focus and sincerity.

The Headmistress, Ms Shalini Arora, advised the students to be sensitive towards their peers. She presented certificates and medals to the students who had brought laurels to the school.
