

Trip to Ranthambore

‘Education is not just going to school, it is about widening your knowledge and absorbing the truth about life by being a part of nature.’

Delhi Public School, Gurgaon had organised a three-day Educational tour to the Ranthambore National Park for the students of middle school from May 23th, 2019 to May 25th, 2019. The visit commenced with an enticing talk by a naturalist on Ranthambore forest and its wildlife.

The safari to the Tiger Reserve was a thrilling experience. The children saw leopards, spotted deer, wild boars, sambars and rare species of birds in their natural habitat. The spectacular view of tigers and tigress in the wilderness further augmented their excitement.

Students enjoyed shopping at Dastkar, an Indian non-government organisation working with craftspeople across India, for promotion and revival of traditional crafts. Evening was the time to dance to the rocking numbers played by DJ. Overall it was an informative and fun-filled trip which opened the young minds to new ideas and learning.
