

## CLASS ASSEMBLY, VI C PREPARATION FOR EXAMS

*“Success is the sum of small efforts, repeated day in and day out.”*

On August 27, 2025, Class VI C organised a special assembly on ‘The Preparation for Exams’ for their peer in the school auditorium. The programme commenced with a heartfelt prayer.

This was followed by the Thought for the Day and informative updates on national and international news, sports, school activities, and the weather report.

Students shared useful exam tips, while a motivational poem encouraged everyone to remain focused, confident, and positive as they prepare for the upcoming First Term Examinations.

The Vice Head Council members addressed the students and motivated them for the upcoming term exams.

The assembly by Class VI C was a well-planned and inspiring effort, helping students strengthen their exam preparedness and self-belief.
