

REPORT - CLASS ASSEMBLY

RESPECT IS FOR THOSE WHO DESERVE IT, NOT FOR THOSE WHO DEMAND IT.

Receiving respect from others is important because it helps us to feel safe and to express ourselves. Respect means that you accept somebody for who they are, even when they're different from you or you don't agree with them. Respect in a relationship builds feelings of trust, safety, and well-being.

The virtual assembly has now become a platform for being digitally creative to express ideas and thoughts. Students of Middle School presented an online assembly on the topic 'Respectfulness' in their respective classes on 20th July 2021. It started with a solemn prayer to the almighty, that filled the heart and mind with gratitude and humility. The 'Thought for the day' and poems, composed and presented by the students, arose inspiration. The DPS news was shared by the students to keep everyone informed, updated and connected to the school. The weather report was then presented which was followed by some concluding thoughts on the theme of the assembly.

Children participated with great enthusiasm. They echoed their thoughts on the topic beautifully and poured their hearts out as to how they are developing this trait in current times. The knowledge gained from this assembly will go a long way in making these young minds compassionate and empathetic.
