

CLASS ASSEMBLY :X-A

Morning assembly is a platform which encourages the young minds to think about issues which concern us. In keeping with the spirit of the assembly, the students of class 10-A conducted the class assembly on 2nd March 2020. The topic for the same was 'Standing against bullying'. The assembly started with a beautiful thought followed by the news. Students presented a self-composed poem on the sensitive issue of bullying. It gave an insight into how to stand up against bullying and find our rightful place.

This was followed by a talk on the concept of 'GROW' for the class X students by Naman Modani and Prisha Prakash, students of class 12. GROW is a method of approaching any task. (G : Goal, R: Reality, O: Opportunity, W: Way forward). Students were encouraged to set a goal for themselves, assess where they stand, look for opportunities and start working on it. Overall it was an interactive and enriching session.

Headmistress, Ms. Arpna Gupta appreciated the students for their enthusiasm and participation.
