

## Assembly Report – VI A

Renowned scientist, Benjamin Franklin once said, ‘When the well is dry, we’ll know the worth of water.’ It’s time that we stand together to conserve water for preserving life and to preserve our environment. Spreading this message of saving water, students of class VI-A presented a class assembly on 28<sup>th</sup> Aug, 2019.

To reiterate the message of water conservation, an impactful Nukkad Natak was presented by the students of class VI. Students motivated the audience to join the mission of saving water and to spread awareness about the importance of adopting effective practices to reduce water wastage.

The students also shared some important tips to be kept in mind while preparing for the upcoming exams.

The Head Mistress, Ms. Shalini Arora appreciated the efforts of the students and wished them good luck for the forthcoming exams. She also talked about the important aspects to be kept in mind while preparing for the Term 1 Exams. She presented certificates and medals to the students who have brought laurels to the school.
