

BEHES Orientation
Tuesday, 15th July 2025
Class – VIII

Resource Person – Volunteers of Team BEHES (Ishaan and Naimish)

Debate sharpens minds, fuels confidence, and turns ideas into powerful voices.

An engaging **BEHES** Orientation session was conducted for Class VIII students on 15th July 2025 in the school auditorium by the volunteers of BEHES team. The session introduced students to the dynamic world of debate through the Behes platform, a unique initiative that fosters critical thinking, confident communication, and collaborative dialogue.

The orientation highlighted the upcoming Behes DPS Gurgaon Round, scheduled for 26th to 27th July, and encouraged students to participate with their teams and creative ideas. With an interactive and humorous approach, the session helped students understand how to build persuasive arguments, think on their feet, and make their voices heard — all in a non-courtroom setting. Students left the session inspired, equipped with sharper thoughts, and ready to take on the art of debate with confidence and enthusiasm.
