

Report on Clash of Pi (Domain EUCLID) June to August

DPS GURGAON won the First position in the Domain **EUCLID, conducted between June and August** in the Global Mathematics Contest - Clash of Pi (2019). Clash of Pi is a premier global mathematics circuit that brings students and schools from across the world to participate on a common platform contest. This is a school team event, where the world's most prestigious schools send their top teams to compete in an online mathematics aptitude test. Our school team secured the top leader board position beating over 900 leading schools. Over 2 lakh candidates from 900 schools took part in the contest. The top performers of the school team for this round are as follows:
