

## REPORT - CLASS ASSEMBLY

“Humility is the solid foundation of all virtues.”

An assembly on the topic, ‘Humility’ was conducted for the students of Middle School on 3<sup>rd</sup> May, 2021. Humility is a state of being highlighted by your behaviour and approach to things. It is also considered one of the virtues of the human mind, along with kindness, patience, diligence and charity.

The assembly commenced with a prayer followed by an inspiring video clip on the importance of being humble. The students presented motivating poems and skit to emphasize that humility helps to build trust and facilitates learning as these are the key aspects of leadership and personal development.

Students were motivated by the assembly and understood the importance of being humble.
