

Class II - Bagless Day

The students of Class II had a joyful and exciting Bagless Day, filled with engaging, hands-on activities. They danced to lively music and created imaginative tiger and dolphin artwork, blending creativity with awareness of wildlife conservation. Fun games encouraged teamwork and laughter, while the cooking without fire activity, where they prepared a healthy corn salad, offered a sense of accomplishment.

The lively story session by Ms. Seema Wahi Mukherjee in the auditorium saw enthusiastic participation, making it a memorable experience for all. It was a refreshing break combined with fun and meaningful learning.
