

REPORT - CLASS ASSEMBLY

'The Secret of our success is determined by our hard work and strong focus on our goal.'

To wish students good luck, a virtual assembly was conducted for the students of Middle School on the theme 'Best of Luck' on 6th September 2021.

Teachers and students prayed to invoke the blessings of the Almighty. This was followed by a motivating thought for the day. Teachers shared some tips with the students to prepare well for the upcoming Term Assessment. They reiterated the importance of time management and true meaning of the fact that practice makes one perfect. Children interacted with teachers and learnt ethical values. This brought a new ray of hope and lifetime learning for them.

Children were also shown a video on Dr. Sarvepalli Radhakrishnan's life journey and the relevance of celebrating Teachers' Day on 5th September each year.
