A LEADING SPECIALIST UNIVERSITY

Arts University Bournemouth established in 1885 is a leading University offering high quality specialist education in art, design, media and performance across the creative industries.

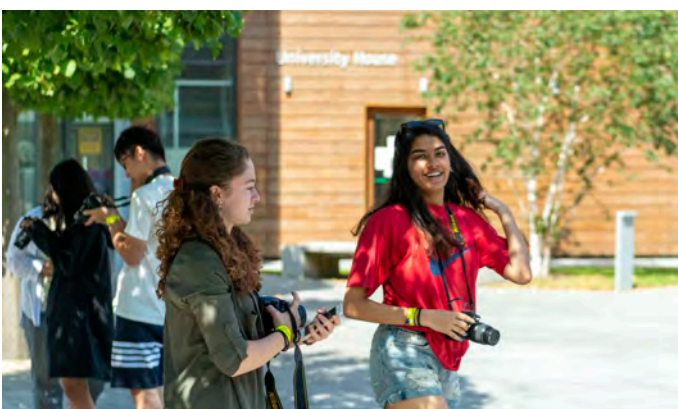

The University has been providing specialist education for over a century and is one of a small number of higher education institutions in the UK and enjoys a strong reputation, both nationally and internationally.

A fundamental concept of the University is the practical application of knowledge, realised through the delivery of excellent teaching within a collaborative, creative community. With our reputation for excellence, award-winning campus and world-class teaching, we have developed long-term relationships with educational institutions and organisation from around the world, designing and delivering short term study programmes to complement and support students' learning to ensure they reach their maximum creative potential.

Students will join our own passionate University teachers who will encourage curiosity and risk-taking, while exploring and pushing subject knowledge and its boundaries. The unique atmosphere allows students to observe at first-hand how a University dedicated to creative education is an ideal environment to study, learn and grow.

RECENT RANKINGS AND ACHIEVEMENTS

- Awarded Gold by the Teaching Excellence Framework 2017.
- AUB is the UK's number one specialist university for employability (Times Higher Education 2017)
- A Top 50 University (The Guardian University Guide 2019)
- 98% of AUB graduates found employment or further studies within 6 months of graduation
- AUB was awarded Top 10 for both International Experience and University Facilities (WhatUni? 2019)
- Voted the Top Modern University in the region (Times and Sunday Times Good University Guide 2018)

COURSE SUMMARY

Students who join the bespoke DPS summer programme will benefit from a 2 week course of workshops in varying artistic disciplines.

The course is focused around developing skills and knowledge in a range of areas that will benefit students looking to progress into a career in the arts or creative industries.

These areas have been carefully selected to give students a varied and exciting programme: Fashion Design and Illustration, Drawing and Animation, Photography, Printmaking, Fine Art, 3D Architecture and Graphic Design.

The aim is to gain an understanding of these specialist areas and explore practical use, techniques and processes within them.

The bespoke course is designed to enrich existing studies and provides an important opportunity to explore new ways of thinking and expressing individual creativity.

It is a perfect platform for students to experiment with a variety of mediums and to appreciate their own identity and personality through their work. Students will learn by working as individuals and together in groups, in specialist art studios. Tutors will use a variety of different approaches during the week to support their learning.

COURSE HIGHLIGHTS

- Take part in mentoring sessions with our course tutors
- Discuss aspirations and career options
- Receive advice on personal statement and university application
- Gain insight from current BA students and recent graduates on studying at AUB
- Learn about opportunities for employment in the creative industries

LEARNING ENVIRONMENT

The University invests heavily in technology and spaces that mirror the facilities students will find in the real world, providing students with the confidence to express themselves with industry standard resources. Students on our bespoke courses are taught in a well-resourced environment in which to practice to the highest standard.

CREDIT AND STUDY

A Certificate of Attendance will be awarded to all students and teachers who attend classes.
