

GREEN DIWALI - SAY 'NO' TO CRACKERS **(JUNIOR SCHOOL)**

'Let the light shine out the darkness'

Delhi Public School, Sector-45, during the month of October conducted a plethora of activities to sensitize the students of classes III, IV and V about the hazards of air pollution that increases manifolds during this period.

The awareness was reinforced amongst the students through following engaging activities:

- Poster making activity on 'Cracker Free Diwali'
- A painting competition on the theme 'Clean Air'
- Student walks were held for Green Diwali by Junior School students and by the Eco Warriors

The students of class XII interacted and convinced the young emissaries to pledge not to burn crackers, thus spreading the message of Green Diwali.

It was a sight of immense pride to see the students embrace the idea of a pollution free Diwali as responsible citizens of the society.
