

DELHI PUBLIC SCHOOL, GURGAON

CIR/200/P/2019-20
18th September'19

Dear Parents,

Gurugram produces around 1,500 metric tonnes of waste every day. The Gurugram civic authorities are struggling on all fronts to manage this waste. Each one of us is responsible for the present situation and therefore, must take responsibility to bring about a change in the situation.

Report any garbage dump you come across by following these easy steps:

1. Click a picture of the dump and a landmark near it.
2. Visit the Municipal Corporation of Gurugram facebook page or call on the toll free number 18001801817.
3. Share the pictures on the facebook messenger or the Swachhata App with a request to clean the garbage.

The toll-free number has been introduced to ensure all concerns pertaining to open dumping of waste are addressed within 24 hours. After the concern is resolved, an MCG official will also verify with the complainant whether his or her concern was resolved.

Let us join hands to support MCG for a cleaner Millennium City.

Aditi Misra
Director Principal
