

Lingua Clava Week 2021-22

“Language shapes the way we think and determines what we think about.”

‘Lingua Clava’ week was organised from 19-23 July 2021 for students of classes VI- XII.

Students from all classes participated in the event with tremendous passion and zeal.

During the event, numerous activities were assigned to the students to highlight their creativity.

Despite online participation from home in these unusual times, the keenness and enthusiasm among students was palpable.

The activities of Lingua Clava enhanced their knowledge of foreign languages. Their imagination and ideas were well thought of and unique. Overall, the efforts of the students were outstanding, and the entire foreign language week was remarkable.
