

REPORT-BASANT PANCHAMI SPECIAL ASSEMBLY

‘Spring is a lovely reminder of how beautiful change can truly be’.

The onset of the spring season was celebrated with great ardour by the students of Junior School on 16th February, 2021. A special assembly was organised on the virtual platform to mark the occasion of Basant Panchami.

The essence of wearing clothes of yellow colour, especially on this day, was emphasised upon. Yellow symbolises prosperity, energy and light. The children and teachers, dressed in yellow clothes, radiated positivity and hope.

The assembly began with a prayer to the Almighty. The significance of Basant Panchami for the farmers and the relevance of Saraswati Puja were discussed with the children. They were apprised of the various ways this festival is celebrated in different parts of India. ‘Basant’, which literally translates into ‘spring’, was celebrated through a Hindi poem, portraying the captivating beauty of nature during this season.

Taking the tradition forward, children enjoyed making yellow coloured ‘Pedas’ and ‘Shrikhand’ during the ‘Cooking Without Fire’ activity class, which was a delicious sweet treat for their family members.
