

REPORT

Amritsar Trip

An educational trip was organised by the school to Amritsar from 10th October to 12th October 2019. A group of 24 students of classes IV and V along with teachers visited various places in Amritsar and Kapurthala.

The train journey to Amritsar was an exciting one. On the first day, the students witnessed the Change of Guard Ceremony - the ceremonial retreat, at the Indo-Pak border. This was followed by a visit to the "Pushpa Gujral Science City", one of the largest science cities in India. Students were amazed to see the working models along with the flight simulator and earthquake simulator displayed at the centre. A 3-D show, laser show and a movie shown at the planetarium answered many questions that come to the young curious minds. On the final day of the trip, they visited the Golden Temple and paid homage to the great Sikh Gurus. The students revisited history with a tour to the Jallianwala Bagh and Partition Museum where the students learnt about the sacrifices made by many unsung heroes of our country in achieving freedom.

Overall, it was a fun filled tour which gave the students an invaluable opportunity to enrich their minds, bond with each other, enjoy the cultural diversity of India. It was a memorable edutainment trip indeed!
