Judges speak...

“Some of the works with surrealistic images are fascinating, the simplest ones I found most attractive, really enjoyed a few thoughtful captions. Wish all creative people great success.”

Ms. Dipalee Daroz

“I convey my best wishes to the School Authority to conduct such a creative fest and would like to take an opportunity to congratulate each and every participant.”

Mr. Ravindra Tanwar

“I was thrilled to see the great talent and enjoyed every bit of the performances. Each of them was great and I had to make some tough choices.”

Ms. Pooja Uberoi

“I have enjoyed seeing students work and a few really stand out. My best wishes to the entire Goonj Team and the creative students.”

Ms. Preeti Sood

“To those who didn't get the top prizes, remember: Winning, though coveted and worthy of praise, is secondary. By attempting to make a film, you have set yourself off on an exciting journey of becoming a better storyteller, creator and communicator. That's what this is really all about.

Keep creating!”

Ms. Tushar Joneja

“I am truly amazed at all the submissions I have received and reviewed. At such a young age, the students have managed to create, write, compose, sing, rap and present their ideas with such sincerity and confidence. A big round of applause to every participant for such brilliant effort! It was hard to decide winners out of these entries as I found every piece of work very interesting.”

Mr. Dhruv Dhalla

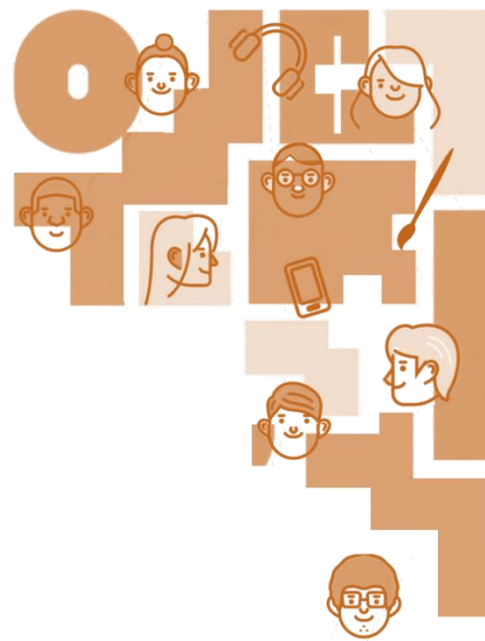

“All the entries in the short film competition exhibited unique perspectives on the topics at hand. I was especially impressed by the students who attempted to tell a wholesome story in the one minute that was allotted to them. There were also those who chose to express through visuals layered on poetry, which is an interesting and introspective way of getting ideas across.”

Mr. Tushar Joneja

“I also know that music itself is always subjective so whenever you announce the results, please do encourage each of the participants as much as you can let them know that each of them were wonderful, real life is not a competition and that they can all shine with their own style of music. Loved their enthusiasm and passion for music! :)”

Mr. Lokesh Madan

“Well tried, but trick photography could have been used even more. Overall kids did a good job. Wishing Goonj to be a grand success.”

Prof. H.P. Mathur

“It is a great initiative by the school to conduct this event online. Continuation of such events in times like this ensures creative productivity of the students involved and also ensures the connectivity between the student's and the school.”
