

REPORT - ALPHANODE 2021

Delhi Public School, Sector 45, Gurgaon, organised its Annual IT Fest- Alphanode 2021, on virtual platform from 14th August 2021 to 21st August 2021. The Fest promoted the spirit of inquisitiveness and innovation among the participants. Twenty-two schools from Delhi NCR participated in various competitions of the event.

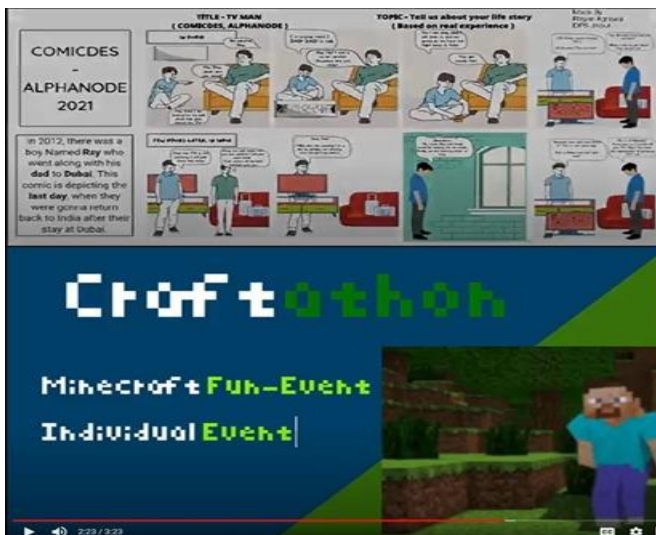

The live event, *Geekathon*, was held on 21st August 2021 on Zoom wherein the knowledge of the participants on latest developments in the IT sector was tested. Ms. Tanya Gupta and Mr. Abhimanyu Gupta, Alumni, DPS Gurgaon, were the esteemed judges. The Director Principal, Ms. Aditi Misra, in her address, stated, that digital learning is an essential component in developing 21-century competency skills, as it not only enhances the interpersonal and communication skills of the students but also prepares them to encounter the digital challenges of the real world. She also lauded the efforts of the organising committee for planning and executing the techno event seamlessly.

The offline events were of two categories- group and individual. *Create X*, enabled students to have an understanding of various digital designing tools. *ComicDes* was well appreciated where the ability to create a digital comic strip was recognised. Events like *MSWay*, *Analogous*, *Craftathon* and *What's on Your Mind*, were all designed in a manner, to explore the world of computers to create and innovate. *InFocus*, the movie-making event, provided young directors with a means to translate their manifestations into movies showcasing their creativity. The Fest saw some spectacular ideas shared by young digital enthusiasts.

DPS International, Gurgaon, received the *Letter of Honour* and was declared the overall winner of the IT Fest - Alphanode 2021.
