

SCHOLAR BADGE CEREMONY

“Success is hard work, dedication, perseverance and determination.”

With the vision and firm belief of our Director Principal, Ms. Aditi Misra, that no pandemic should deter us from moving forward, an online Scholar Badge Ceremony, a first of its kind, was organized for the students of Class IV academic session 2019-20 on Tuesday, 19th May 2020 to reward the academic and co-scholastic achievements of our meritorious students. To keep abreast with the present trends, the ceremony was streamed on YouTube.

The program commenced with the welcome address by the Director Principal, Ms. Aditi Misra who congratulated the students for their laudable feat in academics and thanked them for giving us all an opportunity to celebrate their success. She advised all to embrace the changes prevalent all around. She urged everyone to utilize the time that we are spending indoors constructively to rediscover ourselves and to reflect on our values in life. It is a good time to ingrain life skills in our children which will help them in good stead later in their future. Values like joy of giving and sharing, being grateful for what we have should be inculcated in them, she emphasized. Recreating memories which one can cherish and focussing on the good was a resounding message given by her.

Ms. Sapna Dhawan, Dean (Student Welfare) also congratulated the students on their achievements. This was followed by a video presentation, ‘Sneak Peek of the Junior School’, a delightful virtual journey of the Junior School which gave glimpses of the happy time children spend engaged in a multitude of school activities. The video also highlighted the online classes which are being conducted at present to ensure that learning continues and children remain gainfully engaged.

The students were awarded for their outstanding performance in various spheres such as All-Round Performance, Outstanding Performance in Art, Music, Dance, Physical Education, Public Speaking and Community Service. The dedication of consistent students was also acknowledged with the Full Attendance Award. All the achievers were applauded for their hard work and their strive for excellence.

The program culminated with the Headmistress of Junior Wing, Ms. Laveena Hemrajani proposing the Vote of Thanks.
