

## Social Science Day Report

*'A nation's culture resides in the hearts and in the souls of its people'*

*~ Mahatma Gandhi*

To inculcate the richness of Indian culture amongst the students, Delhi Public School, Gurgaon, celebrated Social Science Day in the Junior Wing on 11<sup>th</sup> and 12<sup>th</sup> October 2019 where a melange of activities was organized.

The theme for Class III, 'Connecting the Past to the Present' was well exhibited by the students through the 'Evolution of Early Humans' brochures. The activity as well as videos shown helped creating visual imprints in the young minds.

The theme for Class IV, 'My India, My Pride' was well imbibed through an intra-section quiz session. The different rounds in the quiz gave an insight into various aspects of Indian culture and heritage thus evoking great zeal and enthusiasm amongst students.

The theme for Class V was 'Plunge into the Past' wherein the students enacted various incidents of the pre Revolt of 1857 era. They got a glimpse of the struggle the Indians went through and learnt to value the independence of our country. The Dumb Charades activity for Class V enriched students' knowledge and their vocabulary of Social Science terms. Students had an enjoyable time expressing and defining these terms.

The Social Science Day gave our students the required impetus generating awareness about issues related to their daily lives as well as the vast diversity of the world. It is important that today's child grows up to be good social being and embrace this diversity so as to make this world a better place to live in.
