

STATES DAY – My Colourful India

The beauty of the world lies in the diversity of its people!

Our cultural heritage serves as a bond of unity among the people. To imbibe a sense of unity and patriotism among the students, a spectacular show, 'My Colourful India' was presented by the students of class III of Delhi Public School, Gurgaon on 8th November 2019.

After the traditional welcome of the parents, the students presented an enlivening dance performance on a song celebrating the beauty of diversity in India. With the help of a vivid PowerPoint presentation, the children took the audience on a virtual journey to the zones of India, showing glimpses of distinctive features of the different states. The composition 'Mile Sur Mera Tumhara' beautifully sung by the children was a fitting closure to the event. Looking resplendent in colourful costumes, children were a treat to watch. The parents were awestruck as the captivating performance of the students drew an unceasing applause. The parents and the children got a taste of Indian cuisine, aptly called the 'Taste of India', in boxes creatively illustrated by the children.

The decoration with flowers of different hues, vibrant puppets, colourful rangolis and urlis accentuated the spirit of festivity. The elaborate zonal tableaux displayed artifacts showcasing the rich and varied culture of the various regions. The astounding visual treat enthralled one and all! The ethos and vibrant traditions of our motherland were well imbibed by the students.
