*“A single act of kindness throws out roots in all directions, and the roots spring up and make new trees.”*

A short assembly on the topic, ‘No act of kindness is ever wasted’, was presented by the students of class X as classes commenced after the Mid Term Exams. The assembly emphasized on being kind and helpful and encouraged the spirit of kindness among students in such challenging, tough times.

The assembly started with a soothing prayer which is the key to connect to God. The students emphasized that kindness and helpful nature helps one to attain immense joy. The prayer was followed by news and a meaningful poem to further reemphasize the importance of kindness.

The students worked together as a team and presented a melange of enriching thoughts, ideas and expressions through beautiful poems and stories. They also demonstrated some of the ways in which one can be kind and helpful towards others.
