

PTM - Classes IV and V

The second Parent Teacher Meeting for classes IV and V was held on 3rd, 6th and 12th of September 2019. The class teachers interacted with the parents and gave them a comprehensive feedback of their wards. The areas of strength and improvement of the students were discussed.

An overview of the activities conducted in different subjects during the previous months through e-journals displayed in the classes was widely appreciated by the parents.

The parents were content with the PTM session and were thankful to the teachers for their role in the progress of their wards.
